

MSOC 2019

November 18 - 21, 2019

MSOC Annual Medical Special Operations Conference

The Medical Special Operations Community, is proud to invite all first responders, to this year's official Medical Special Operations Conference (MSOC).

This year, MSOC has partnered with the State Urban Search and Rescue (SUSAR) Alliance, and together will host their respective conferences from November 18 – 21 in Wichita, Kansas.

The MSOC continues to be the conference that military, federal, state and local medical responders attend to share their experiences, best practices, and ideas. Each year MSOC continues to evolve to include current hot topics, latest medical technological updates, and recent case studies from around the world. Continuing Education Units (CEU) are available.
